CONTACT AUTHOR FOR LICENCE

The author of this data has stipulated that they may be willing to share this data either fully or partially, on a case-by-case basis under negotiated terms. If you are interested in making a request for access, please email openaccess@nottingham.ac.uk stating the URL and title of the data deposit you are requesting access to, as well as the name of the author and your reasons for requesting access. The open access team will pass the request on to the researcher on your behalf.
